NOTICE OF LIS PENDENS CLAIM

This Notice of Commencement of Action Process come to Duval County Courthouse, Jacksonville, Florida, in the form of a Lis Pendens Claim pursuant in General Law [S] 48.23 F.S.

The petitioner in this action, referenced in the above style cases is claiming general responsibility of that of the plaintiff under right of Replevin [S] 78.01 F.S.

And to repossess and seize personal property and other pleading documents by placing lien against the municipal corporation of Jim Fuller, Clerk, pursuant in F. S. 713.01 Sec (1) and (4).

The personal property/documents and pleadings that were filed with Jim Fuller Clerk's Office which are the belongings of the petitioner is believed to have been wrongfully taken and detained in the clerk file record in access of, or dating back to approximately (two) (2) years without a response from the circuit court.

EXHIBIT (A)

Where the petitioner is now claiming that the personal property/documents and pleadings (which are pending non-final judgment and decisions of L.T. Case No: 00-221) have been abandoned by the judicial branch or have not been properly transmitted and directed to an appropriate officer of the court pursuant to F. S. 78.068.

The notice of commencement of action by petitioner, and in his pendants claim [S] 43.23 also come to Duval County Courthouse as discovery information which reflects that on (November 17, 2005).

A notice of Offer(s) in class action settlement was submitted for consideration of judgment with U.S. District Court in the Southern Dist. Of Florida to Dist (Judge) Joan Lenard) and in a (consolidated) version of Allen v Belcher Case No: 1 DOS-2411.

The offers that were contained in (November 17, 2005) class action settlement petition generally represented action (if approved by the court) that would certify under FED R CIV PROC Rule 23 (E)(A)(1) inmate class members and those perspective class members confined in close management C.M. units under the employment/occupational and classification status of a Human Relations Correspondent or Legal Correspondent pursuant in Prison Litigation Reform Act P L R A title 18 USC 3626 rule 33-601.800 FAC and under Florida Dept. of Correction's Correspondence Rules and Motioning Practices in *Guajardo v Tex Dept of Crim Justice 363 F 3d 372 397 (5th Cir 2004)*

The action in (November 17, 2005) offers of Class Action Settlement Case No: DOS-2411 and the fact that if the S.D. Court grant certification of inmate class members under a intended employment/occupational classification status in response docket (594). Then, it would only be appropriate to include other inmate/class members and defendants who are in similar condition as in terms of awaiting systematic response and judgment

orders of their submitted personal property documents and petitions that are past due. And based on the value and nature of the property sought to be replevied.

Therefore the petitioner in claiming rights and title to include other personal property documents/petitions as in the finding and taking of possession of lost goods of another do respectfully petition Duval County Courthouse Forth Judicial Circuit Court under Right of Replevin (S) 78.01 F.S. and in right to seize possession of personal property document/petition listed in order to show cause: waiver and other personal property document of similar situated defendants and by this official posting of lien against the Municipal Corporation of Jim Fuller Clerk's Office located at 330 East Bay Street, Jacksonville, Florida pursuant in (S) 48.23 F.S.

The intentions now by petitioner Clarence S. Allen and under the general rights of the plaintiff, is to obtain a writ of replevin during the course of this action, and to be granted right or allowed immediate response to show cause order authorizing Chief Justice Donald Moran to take from my possession (January 2004) Post conviction Relief Petition which was submitted for filing service with Jim Fuller, Clerk. Which was authorized to be heard on my behalf by Florida Supreme Court dated December 2003 or January 2004 and in Case No: SCO3 1085.

8 (S) Under Title and Right to Possession of Particular Classes of Person(s)

FLA APP 3 DIST 1991 Corporation was entitled to preudgment writ of replevin against stock certificate owned by defendant: corporation was entitled to possession of claimed stock certificate under pledge agreement entered into between corporation's predecessor in interest and defendant. And defendant was in process of dissipating

~~EXHIBIT~~ (A) (1) (2)

economic value of stock certificate by stripping assets of company for which stock was issued, thus, wasting value of stock certificate. West F.S.A. 78.055 (2) 78.063 (2).

Medina v Star Holding Co. No. 1 Inc 588 SO 2d 1032

FLA APP 1 Dist 1985

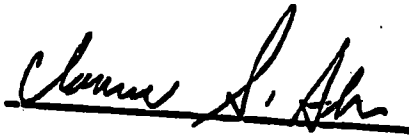

Replevin action is one of remedies, which may be invoked by secured creditor, who wishes to repossess by judicial action.

Land v Cessna Aircraft Co. 466 SO 2d 1265

Further the petitioner in appeal Case No: 1 DOS-3490 demands that immediate response be provided by the appropriate officer of the Circuit Court chief Justice Donald Moran in lieu for \$600.00 as security bond for the payment of damages sustained during detention period dating from (January 20, 2004) through (December 9, 2005) and for the daily amount the state pays to house prison inmate in \$49.61 x 661 days or in the amount of \$ 32,792.21 (Pending unverified increase)

This notice in lis pendens claim to come to Duval County Courthouse Fourth Judicial Circuit Mandate/ State court under mandatory response jurisdiction.

Respectfully Submitted
