IN THE SUPREME COURT OF FLORIDA

IN RE: STATEWIDE GRAND JURY

Case No. 09-1910

AMICUS CURIAE BRIEF OF JUDITH SERAPHIN, CEO, GLOBAL WRAP® LLC

1. Your amicus is CEO and owner of Global Wrap® LLC, a small, woman-owned specialty construction service business with customers nationwide, located in historic Lincolnville in St. Augustine. Our website is www.globalwrap.com.

2. Your amicus heartily agrees with Florida Governor Charles Crist and his well-founded October 14, 2009 request for a Statewide Grand Jury. Amicus respectfully requests that the Statewide Grand Jury scrutinize local corruption in St. Augustine, Florida and St. Johns County, where our former County Commission Chairman, THOMAS G. MANUEL, awaits sentencing on federal bribery charges.

3. Your amicus and her office have since 2005 reported environmental lawbreaking by the City of St. Augustine that was never prosecuted by anyone, including:
   a. Habitual Sunshine and Open Records violations,
   b. 40,000 cubic yards of solid waste deposited in our Old City Reservoir;
   c. Semi-treated sewage effluent deposited in our saltwater marsh.

   These criminal law violations involve environmental racism by our Nation’s Oldest City, which Rev. Dr. Martin Luther King, Jr. called the “most lawless” city in America. City of St. Augustine lawbreaking has for years been blithely ignored by the State’s Attorney, EPA, FBI, FDLE, FDEP and other law enforcement agencies. As Representative David Perley Lowe of Kansas said in 1871, during debate on the 1871 Civil Rights Act (a/k/a Ku Klux Klan Act):

   Combinations, darker than the night that hides them...have gone unwhipped of justice. Immunity is given to crime, and the records of the public tribunals are searched in vain for any evidence of effective redress.

4. Your amicus has also reported six felonies by two former employees, which our State’s Attorney for the 7th Judicial Circuit refuses to prosecute, even though St. Augustine
Police detectives presented him with a strong case, including theft by trick of $20,000. The State’s Attorney refuses to meet with me, even after I presented him with legal research at his office’s request. My correspondence to the Grand Jury foreperson was never acknowledged. Our State’s Attorney winks at white collar crime and corruption.

5. I respectfully request that the Statewide Grand Jury meet in the 7th Judicial Circuit and hear citizen concerns about waste, fraud, abuse, misfeasance, malfeasance, nonfeasance, obstruction of justice, Sunshine and Open Records violations by local elected and appointed public officials.

6. I respectfully request that the Statewide Grand Jury be empowered to issue indictments and presentments regarding environmental violations, waste, fraud, abuse, misfeasance, malfeasance, nonfeasance, Sunshine and Open Records violations, obstruction of justice – including the refusal of the State’s Attorney’s Office for the 7th Judicial Circuit to enforce laws against white collar crimes, without fear or favor.

Respectfully submitted,
