*Counsel for City of Aventura*

Respondent, the State of Florida, by and through the City of Aventura (“City”),<sup>1</sup> respectfully requests that the Court enter an order granting the City an additional 25 days within which to serve the answer brief on the merits.

1. Petitioners served their initial brief on June 30, 2017, after seeking and obtaining an unopposed 25-day extension of time. Similarly, the Court on June 15, 2017, granted the Attorney General’s unopposed motion for a similar 25-day extension of time, making the Attorney General’s brief due 45 days after the initial brief was filed. As a result, the Attorney General’s answer brief on the merits will be due no later than August 14, 2017.

2. Due to the need to coordinate with potential amici as well as the Attorney General, the press of other matters, and an absence from the jurisdiction by undersigned counsel in the forthcoming two weeks, the City also respectfully requests an additional 25 days within which to serve its answer brief on the merits.

3. Undersigned counsel has conferred with petitioner’s counsel and counsel for the Attorney General, who have graciously indicated that they have no objection to the extension of time requested herein.

4. Accordingly, the City respectfully requests that this motion be granted and the deadline for service of the answer brief on the merits be extended until August 14, 2017.

<sup>1</sup> While this appeal is styled in the name of the State of Florida, it was the City that prosecuted the proceedings below and is tasked with enforcement of red light camera violations within its jurisdiction.
