WEDNESDAY, JANUARY 4, 2017

CASE NO.: SC16-547

Lower Tribunal No(s):

5D16-516; 492013CF000612XXXAXX

LARRY DARNELL PERRY

vs. STATE OF FLORIDA

Petitioner

Respondent

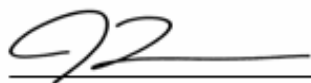

Amicus curiae William Woodward filed a motion to correct footnote three of this Court's opinion in Perry v. State, 41 Fla. L. Weekly S449 (Fla. Oct. 14, 2016), which stated that Woodward "did not file a motion for joinder in this case." We recognize that Woodward, in fact, filed an untimely motion for joinder that this Court denied. By virtue of this order noting that Woodward did file a motion for joinder that was denied as untimely, we deny the motion to correct opinion.

LABARGA, C.J., and PARIENTE, LEWIS, QUINCE, JJ., and PERRY, Senior Justice, concur.

CANADY and POLSTON, JJ., would grant the motion to correct opinion.
