**Subject:** Clerk Linda Doggett's illegal filings

It is beyond dispute that Ms. Doggett and her staff forged the 6/30/2017 show cause order in 17-mm-815. Only an attorney for the State of Florida can file misc. papers in court proceedings on behalf of the state, not a clerk pursuing a personal agenda.

Now she took my filing in 18-ap-3 and filed it in 17-mm-815. See below re: my filing in Circuit Court that Court employees decided to file in the 17-mm-815 case. Only the parties can advocate and file papers. The judge can cause to be filed orders and other rulings.

This behind the scenes inside job by Ms. Doggett can not be accomplished via the efilings portal because it does not support filing a document in multiple courts with the same filing # 77947111 and exact same time. More official crime. -- sh
