Appellants, pursuant to Florida Rule of Appellate Procedure 9.300(d)(13), hereby request this Court to toll the time for filing their initial brief and in support state:

2. Simultaneously with the filing of this motion, Appellants have filed a motion for extension of time to serve their initial brief, which is currently due on or before May 2, 2019. Appellants are seeking a three-week extension of time to file their initial brief, making it due on or before May 23, 2019.

3. Appellants' request for an extension of time to serve their initial brief is being made for good cause due to appellate counsel's scheduling conflicts, as indicated in their separately filed motion.

4. Appellants respectfully request that the time for the filing of their initial brief be tolled until such time as this Court rules on the separate motion for extension of time to file their initial brief.

5. Pursuant to Rule 9.300(a), the undersigned (Stephen Rosenthal) reached out to counsel for Appellee to advise him that Appellants would be seeking an extension of time for filing their initial brief, but as of the filing of this motion the undersigned has not heard back from counsel for Appellee.

WHEREFORE, Appellants respectfully move this Court for the entry of an order tolling the time for filing of their initial brief during this Court's review of Appellants' separate motion for extension of time.

Respectfully submitted,
