**COMMENTS OF THE FLORIDA BAR
INTERNATIONAL LAW SECTION**

The Florida Bar International Law Section (ILS) hereby files the following comments in this matter.

THE FLORIDA BAR INTERNATIONAL LAW SECTION

The ILS was founded in 1981 to provide an organization for members in good standing who have an interest in the field of international law. It is also a forum for the sharing of knowledge, experience, and “best practices” that may improve the administration and application of the statutes, rules and regulations of international law and enhance the proficiency of practitioners.

The ILS hereby expresses support for the Public Interest Law Section’s comments with respect to the Supreme Court of Florida’s amendment to the Rule regulating the Florida Bar 6-10.3, to the extent that such comments support Florida lawyers being able to obtain CLE credits from out-of-state institutions that have diversity quotas. The ILS further emphasizes that these comments are submitted solely by the ILS and supported by the separate
