CASE NO.: SC22-1293

IN RE: AMENDMENTS TO RULES REGULATING THE FLORIDA
BAR - CHAPTERS 3 AND 14

The Florida Bar's Public Interest Law Section's (PILS) "Motion to Provide Copy of Unpublished Opinion or Order and for Extension of Time to File Comments" is granted in part and denied in part. We deny the motion to the extent PILS seeks a copy of the unpublished order. However, we grant PILS's request for a 30-day extension of time to file a comment.

We grant The Florida Bar's "Motion to Respond and Response."
